 - Silicone tube for drainer water tank
- 1 year factory warranty valid from the date of purchase

The Bravo is a fractionated vacuum sterilizer that incorporates both pre-vac (to remove air) and post-vac (to ensure a dry load every time) cycles to ensure the perfect steam penetration for any load. The Bravo offers the perfect blend of speed and capacity with our total cycle times, including drying, set at about half the time as other chamber autoclaves. The SciCan Dri-Tec system ensures a perfectly dry load every time.

No cosmetic upgrades. Does not include direct to drain or water in take
