Services

Consulting Service to assist in Design, Construction, Installation, and Servicing of Mechanical Room.

Prices are subject to change without notice. No returns are approved without first acquiring a return authorization (R.A.) number. All returns are subject to a 15% restock charge. No returns are authorized after 60 days from the date of shipment. Payment terms are cash with order or net 30 days with approved credit. A finance charge of 1 1/2% per month will be charged to an account over 30 days. A credit line must be established on all open accounts. Any distributor who has allowed their account to become delinquent shall pay Dean Dental Systems for all legal costs incurred during the necessary collection process. Any customer allowing their account to become delinquent for extended periods beyond our normal terms will lose their distribution rights to the Dean Dental Systems product line.
