

## TECH WEST INC.'S AIR COMPRESSOR SERIES

Tech West Ultra Clean Air Compressors are designed to meet the needs of the busiest dental office with our high performance air drying system. We guarantee the clean, oil free, dry air you expect. All oilless compressors are equipped with energy efficient heads, large cooling fans, teflon coated pistons and cylinders that offer years of dependable service. Moisture indicators are standard on all compressors. All compressors come complete with handles for easy lifting and installation. Epoxy coated tanks and rubber leveling feet are standard equipment on all compressors ready for installation. Tech West will provide full plumbing and electrical design upon request.

The Tech West Rocky Series Oilless Air Compressors provide 100% oil free air to the dental office. With our high performance air drying system, we guarantee the clean dry air you expect. The design of the Tech West Rocky Series Air Compressor provides smooth, quiet, vibration free operation at only 65 dB-a noise level. We offer them in twin, triple or quad head configurations to meet most any need of today's Dental Practice. Tech West will provide full plumbing and electrical design upon request.
