Features and Options for Radius on A-dec 511

Radius Traditional Delivery

Radius Continental® Delivery

A-dec 561 Cuspidor

When combining the award-winning A-dec 511 chair with Radius delivery, you get an incredibly comfortable chair surrounded by a full range of quality of choices, including two styles of delivery, cuspidor, multiple configurations of assistant's instrumentation, dental light, monitor mounting system, and many more options.

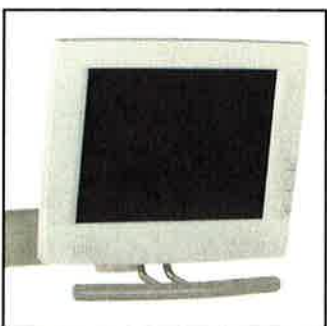

A-dec 551 Long Assistant's Arm

A-dec 551 Short Assistant's Arm

A-dec 571 Dental Light

A-dec 561 Side-Support Monitor Mount

- **Seamless or Sewn Upholstery** on the A-dec 511 chair with built-in lumbar support and memory foam to enhance patient comfort
- **Rotating Delivery Arm** offers excellent positioning and full left/right compatibility
- **Self-Contained Water System**, combined with **A-dec ICX® Waterline Tablets**, for greatly simplified waterline maintenance
- **AlphaSan® Antimicrobial Tubing** throughout the system and handpiece tubings to further protect against waterline contamination
- **Rotating Assistant's Arm or Cuspidor** for left/right compatibility, exceptional positioning, and improved ergonomics
- **Dental Light or Monitor Mount Arms** pivot around the back of the chair to accommodate left- and right-handed operators
- **Assistant's Instrumentation** includes fully autoclavable syringe, HVE, and saliva ejector to help simplify asepsis
- **Integrated Assistant-Side Touchpad** serves as a convenient secondary control for basic chair, light, and cuspidor functions
- **Optional A-dec Intraoral Camera** with live, freeze, and quad split-screen views activated through Radius foot control
- **Optional A-dec Electric Micromotor** offers brushless technology for less maintenance and a much longer life cycle than previous micro-motor technology
