AIR TECHNIQUES equipped for life™
1962 50th Anniversary 2012

Equipped for Life™ with Air Techniques

Air Techniques was founded in 1962 on the principle of providing top-of-the-line dental equipment and superb customer service. We are thrilled to be celebrating our 50th anniversary and appreciate the continued commitment from our network of dealers and customers.

Our mission at Air Techniques has stood true for 50 years: to manufacture products that are reliable and technologically advanced to support our customers' practices, while increasing their return on investment.

Air Techniques' products are continually recognized and awarded for being among the industry's top innovations in a variety of categories. These distinctions are awarded by some of the most prestigious organizations and influential publications in the dental industry.

We are proud to carry on our legacy as a U.S. manufacturer based in New York. Our team is committed to engineering products that will empower both our partners and customers.

We are truly grateful for the continued support from our dealer network and customers, and we thank you for choosing Air Techniques.

Best Regards,

Richard S. Povak

Warranty

“

I upgraded from film to ScanX digital radiography to reduce exposure time and improve image quality. I only wish I'd done it even sooner.”

– Howard S. Glazer, DDS, FAGD

Spectra Interface

Polaris Interface

TWAIN communication is the “No Pain Solution” for software integration with Spectra & Polaris.

- TWAIN interface allows for the display of live video
- Button functionality
- Capture images directly into most TWAIN 2.1 compliant dental imaging software programs capable of handling multiple TWAIN image acquisitions/transfers
- Seamlessly integrate Spectra and Polaris - two revenue generating products - directly into your existing software

Any item returned to our factory in Melville, New York, through an Air Techniques Authorized Dealer will be repaired or replaced at our discretion at no charge provided that our inspection shall indicate it is defective. Dealer labor, shipping and handling charges are not covered by this warranty.

This warranty does not apply to damage due to shipping, misuse, careless handling or repairs by unauthorized service personnel. Warranty void if installed or serviced by anyone other than authorized service personnel. Air Techniques, Inc. is not liable for indirect or consequential damage or loss of any nature in connection with this equipment.

This warranty is in lieu of all other warranties expressed or implied. No representative or person is authorized to assume for us any liability in connection with the sale of our equipment.

Suggested retail prices are effective April 2, 2012. All prices are subject to change without notice.

Air Techniques equipment is warranted to be free from defects in material and workmanship from the date of installation for a period of:

A/T 2000®XR :	12 months (Electronic modules 24 months)	Mojave™ :	24 months*
ScanX® :	24 months	AirStar® :	24 months*
ScanX® Intraoral :	24 months	Hydromiser :	24 months
ScanX® Duo :	24 months	STS™ :	24 months*
Polaris® :	36 months	Peri-Pro® :	12 months
Spectra™ :	36 months	VacStar® :	24 months*
		Provecta® 70 :	24 months

* In addition, AirStar, VacStar, Mojave and STS products include a 5-year limited extended warranty. This warranty is in combination with current standard warranties and provides coverage for a total of 5 years, not an additional 5 years. The warranty is limited and specific to each product and excludes normal maintenance items:

Product	Limited Extended Warranty	Items Covered
AirStar	5 Years	All motors, heads, and pistons
VacStar	5 Years	All pumps, motors, and housings
Mojave	5 Years	All pumps, motors, and housings
STS	5 Years	All pumps, motors, and housings
