**1**

The first page is your

**HOME**

page.

On this page, click on the element (Generator box, Control panel, Support arm etc.) that contains the assembly or spare part you wish to order. This will either take you to a page showing all available assembly or installation alternatives for the selected element, or directly to the corresponding spare part page.

Alternatively, you can start your selection by clicking on the blue

**INDEX**

button and selecting the required assembly from the list that appears.

**2**

On the spare part pages, select the items you wish to order by clicking on the corresponding illustrations. To select an assembly, click the colored button next to the assembly description.

Each time you select an item, a dialog box appears asking you to confirm your purchase by clicking YES. Click NO if you do not want to order that item. Clicking YES will automatically add the item to your order list. You can add up to 22 positions (an error message will appear if you try to add more positions). Please use a new order form for additional entries

**3**

To view your order, click the

**ORDER**

button. Check that your order contains all the items you wish to order and that the order quantities are correct. You can alter the order quantities by clicking in the QTY column and changing the amount. However, it is not possible to remove an item from the order list. To cancel an item, change the order quantity to zero (0).

To cancel all items from the list click the

**RESET**

button. Your order form will be emptied and you can start a new selection. Fill in your name, company, contact information and add an order number (any number/code you want us to use for your order).

**4**

**A) To send us your order by e-mail**, click on the

**SUBMIT**

button. In your e-mail window, enter your order number in the Subject box and click send.

**B) To send us your order by fax or post**, print the order form by selecting *Print* from the *File* pulldown menu, choosing the option *Current page* and clicking *OK*. Then fax your order to +358-9-759 05 555, or post it to PLANMECA OY/Spare Parts, Asentajankatu 6, FIN-00880 Helsinki, FINLAND.

**5**

Click the

**QUIT**

button to close the spare part manual. You will be asked if you want to save the changes you have made. Click NO if you want to start a new order process next time you open the manual. Click YES if you want to continue with this order.

We will send you an order confirmation stating delivery terms, delivery time and prices for the ordered items. We thank you for your order and hope to hear from you soon.

Spare Parts

E-mail:mika.spof@planmeca.com

Using this interactive spare parts manual you can order spare parts for the Planmeca Prostyle Intra X-Ray.

You can view the manual with Adobe Acrobat Reader version 4.05 (included in the CD-ROM), and send us your order by fax or mail.

**NOTE:** It is important that you use the latest version (4.05) of Adobe Acrobat Reader.

### TO ORDER BY FAX OR POST:

1. Insert the CD-ROM into the drive.
2. Open the manual in Adobe Acrobat Reader 4.05.
3. If necessary, use the manual's HELP function for information on how to navigate through the spare part pages and select the items you wish to order.
4. When you have selected all items and filled in the order form, print it out by selecting *Print* from the *File* pulldown menu, choosing the option *Current page* and clicking *OK*.
5. Fax your order to +358-9-759 05 555, or post it to PLANMECA OY/Spare Parts, Asentajankatu 6, FIN-00810 Helsinki, FINLAND.

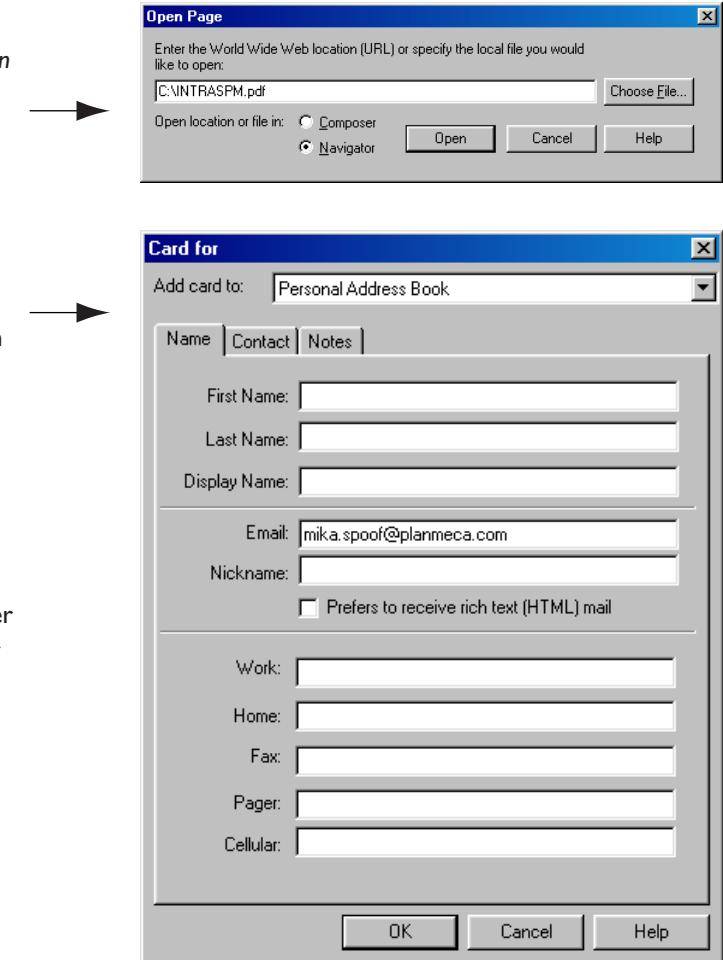

Using this interactive spare parts manual you can order spare parts for the Planmeca Prostyle Intra X-Ray. In addition to the actual spare parts manual in PDF format, it also includes an order form which you can send to us online via e-mail.

**NOTE:** It is important that you use version 4.05 (included in the CD-ROM) or later of Adobe Acrobat Reader.

**NOTE:** It is important that you use version 4.60 or later of Netscape Navigator.

### TO ORDER BY E-MAIL:

1. Insert the CD-ROM into the drive.
2. Using the *Copy/Paste* function, copy the manual file (INTRASPM.pdf) from your CD-ROM drive to your hard disk (e.g. from D:\ to C:\).
3. Open the manual in the Netscape browser. Select *Open Page* from the *File* pulldown menu, click the *Choose File* button to locate the path (e.g. C:\INTRASPM.pdf) and click *OK*.
4. Add our e-mail address to your Address Book. Select *Address Book* from the *Communicator* pulldown menu and click on the *New Card* button. In the window that opens, enter our e-mail address (mika.spooft@planmeca.com) in the *E-mail* box and click *OK*. This is the e-mail address your order will be sent to.
5. If necessary, use the manual's **HELP** function for information on how to navigate through the spare part pages and select the items you wish to order.
6. When you have selected all items and filled in the order form, click on the **SUBMIT** button to send us your order by e-mail.
