

DCI Edge

NEW

STERILIZATION CENTER

Step 1
Receiving, cleaning
& decontamination

Step 2
Preparation &
packaging

Step 3
Sterilization

Step 4
Sterile storage/
make ready

DCI has you covered, every step.

Sterilization is one of the most important items in a practice, and one size never fits all. That's why we have created a sterilization center that can be configured to fit every space. Following CDC standards and backed with a 5 year warranty; we provide the solution for every step of the sterilization process.

Sterilize with style.

Fully functional clock timer enhances productivity, while stainless steel valance adds to the signature design aesthetic.

Patented beveled Infinity Edge countertops add an elegant look.

Numerous color options curated by cutting edge designers bring your vision to life.

Soft close doors and drawers contribute to a peaceful work environment.

A HISTORY OF DOING GREAT BUSINESS

Right here
in the USA

For over 35 years, DCI has remained focused on continuous innovation, ensuring a remarkable customer experience & a single-minded dedication to the highest of standards.

With the recent investment in bi-coastal cabinet shops, DCI is able to deliver in ways no one else can. Shorter shipping distance ensures that cabinetry arrives faster and with less risk of shipping damage. Combined with shorter lead times than ever, it's easy to see why DCI is The Smart Choice.
