## **WARRANTY**

Biotec, Proma, and Royal Products  
Effective September 1, 2008

The products in this catalog are warranted to be free from defects in material or workmanship as described below. The manufacturer's sole responsibility under this warranty shall be to repair or replace any part which the manufacturer has deemed to be defective. Labor charges, incidental or consequential damages are specifically excluded. The warranty is conditioned upon proper installation and maintenance by an authorized dealer. Freight charges for returned items are the responsibility of the customer. This warranty specifically excludes damage caused by abuse, misuse, freight damage, field alteration, misapplication, or acts of God. This warranty does not cover damage resulting from the application of disinfecting or sterilizing chemicals or procedures.

Normal wear and standard service items are excluded from this warranty.

### **NO OTHER WARRANTIES AS TO MERCHANTABILITY, FITNESS FOR USE, OR OTHERWISE ARE MADE.**

- **Dental Chairs and Stools**

All dental chairs and stools manufactured by Royal Dental Manufacturing are warranted for five (5) years from the date of shipment. Standard upholstery is warranted to be free of defects in workmanship for one (1) year from the date of shipment.

- **Loupes**

All Royal Vision products are warranted for one (1) year.

- **Dental Units**

All dental units manufactured by Proma Incorporated and Biotec Incorporated are warranted for five (5) years from the date of shipment. Piston Valves on Proma units sold after March 1, 2003 have a lifetime warranty\*.

- **Dental Lights**

All dental lights manufactured by Proma Incorporated are warranted for five (5) years from the date of shipment.

- **Cabinetry**

All cabinetry products manufactured by Biotec Incorporated are warranted for two (2) years from the date of shipment.

### **Exclusions**

- Accessory items not manufactured by Biotec, Proma, or Royal are excluded from this warranty. Warranties for these items are the responsibility of the OEM manufacturer.
- Replacement parts purchased from Biotec, Proma, and Royal are subject to a 90 day warranty.
- Light bulbs, fiber optic tubings, handpiece tubings, o-rings, stool casters, and light lens covers are considered to be normal service items.

### **Orders**

All orders must be placed through an authorized Royal Dental Dealer and are subject to acceptance by the manufacturer. Royal Dental sells only through dealers who have demonstrated an ability to display, install and service our products effectively. Royal Dental has a vendor-vendee relationship with its dealers and sales are on an order-by-order basis.

### **Terms**

Prices shown are suggested retail. Prices are F.O.B. plant of manufacture. Prices are subject to change without notice. Minimum order is \$35.00. Payment Terms are net 30 days from invoice.

### **Shipping**

Inspect all goods immediately upon receipt. Claims for shipping damages must be filed with the carrier by the receiver. All common carrier shipments will be sent collect. Parcel Post and UPS packages will be sent prepaid with shipping charges added to the invoice.

### **Product**

We reserve the right to modify or improve products as designs and materials change.

### **Returned Goods**

Goods returned for credit must have prior factory authorization. Returned items are to be shipped prepaid and will be subject to a minimum 15% restocking / handling charge (\$21.00 minimum). Non-standard, damaged, used or obsolete products may not be returned.

# Proma A-SERIES DENTAL LIGHTS

## Proma A-Series Dental Light

## A5152 Track Light & Monitor Mount \$6200.00

The Proma Track Light & Monitor features fully independent positioning of the light and monitor via dual trolleys, and flex arms. Both light and monitor offer 320° of side-to-side rotation and 90 ° of vertical tilt.

The light has a brilliant, shadow free reflector with dual intensity and can rotate on three separate axis points. The monitor can be connected to multiple video and audio sources simultaneously and can be positioned over a wide range of movement using one hand.

*"Proma offers brilliant, shadow free dental lights, manufactured to high quality standards and available in a number of mounting options."*

### Standard Features

- Light head with three axis rotation
- Xenon quartz halogen bulb
- Dual intensity
- Color temperature: 4200 to 5000 Kelvin
- Counter-balanced drift-free arm
- Ergonomic "T" handles - simplify barrier protection
- Glass reflector with shadow-free pattern
- Auto on/off microswitch

### Accessories

93146 -2	Replacement bulb	\$23.00
9900008	Chair adapter and 45" light post for Royal chair	\$565.00
9900013	Light mount compass style, Stand alone	\$1,090.00

### Monitor Features

- 17" Medical Grade Flat Screen Monitor
- 12-volt power supply complies with UL60601-1 safety requirements.
- Water sealed glass front: easy to clean and helps protect monitor's screen from cleaning and disinfectant agents.
- Sealed buttons and stereo audio speakers.
- High quality 1280 x 1024 picture resolution.
- Single remote control selects between different video sources as well as operating the monitor functions such as on/off, volume, brightness, etc.
- Comes standard with internally routed cables for S-Video, Composite Video/Audio, SVGA and Coaxial Video/Audio
- On-board TV tuner

### Light Features

- Light head with third axis
- Xenon quartz halogen bulb
- Dual intensity
- Color temperature: 4200 to 5000 Kelvin
- Counter-balanced drift-free arm
- Ergonomic "T" handles - simplify barrier protection
- Glass reflector with shadow-free pattern
- Auto on/off microswitch
- Ceiling height 8' to 10'

### Biotec Custom Built Cabinets

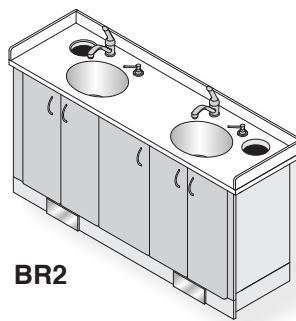

Biotec is the industry leader in custom-built Operatory, Steri-Center, Island, Brushing Stations and Laboratory Cabinets. Using the highest quality materials, Biotec will design and build cabinets that are unique to the practice, support ergonomic workflow and integrate the latest technology.

To request a quote for one of the cabinets listed below or to design your own version, please contact Biotec Customer Service at **(800) 678-9235**

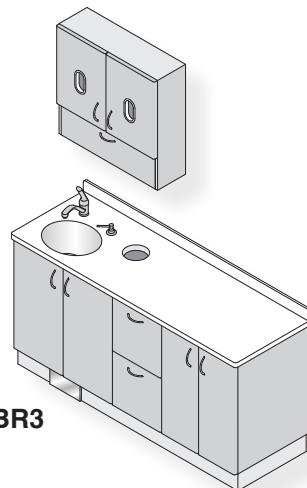

#### Brushing Stations

BR1

BR2

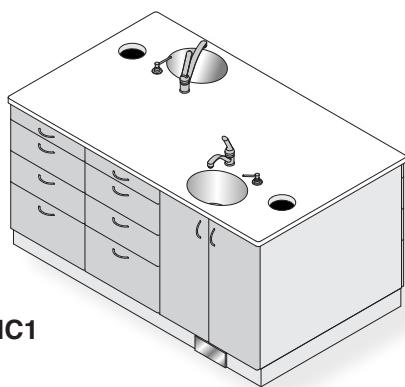

BR3

Custom Brushing Station designed to fit in a corner of an Operatory area.

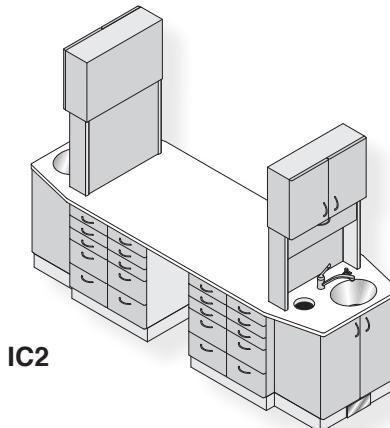

Custom Brushing Stations can turn a small space into an active brushing area.

Optional Wall Storage Modules provide convenient storage, glove, towel and cup dispenser

#### Islands

IC1

IC2

Custom Islands for bulk storage, convenient work area, and sinks with waste drops.

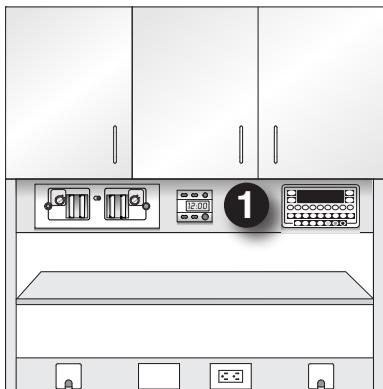

Custom Islands are just one way Biotec can help make your dental practice more efficient and distinctive.

#### Biotec Custom Cabinet Features / Options include:

- Gibraltar Solid Surface Countertop
- Integral Sink with white faucet and soap dispenser
- Foot controlled faucet
- Waste drops
- Abundant under counter storage
- Optional Wall storage module available
- Full-extension drawers with organizational inserts
- Towel and cup dispenser

Biotec offers the ability to customize Treatment Centers with our Modular Mid-section components. Components can be organized in full or half width arrangements. Select individual modules that provide the best configuration and support for your dental practice.

**1 Full Width/Half Width Accessory Panel**

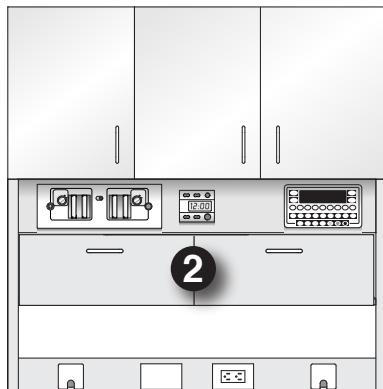

Full Accessory Panel

5009	6" high	5018	6" high
5010	8" high	5019	8" high
5011	12" high	5020	12" high

Half Accessory Panel

5018	6" high	5027	6" high
5019	8" high	5028	8" high
5020	12" high		

**2 Full Width/Half Width Storage Modules**

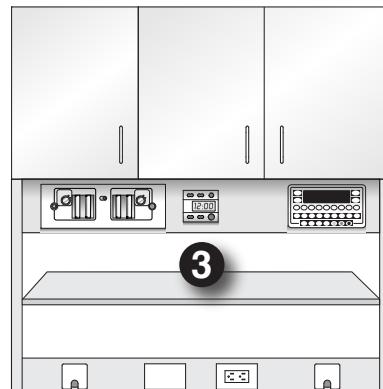

Full Storage Module

5027	6" high	5036	6" high
5028	8" high	5037	8" high

Half Storage Module

5036	6" high	5037	8" high
------	---------	------	---------

**3 Full Width/Half Width Shelves**

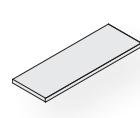

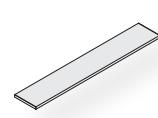

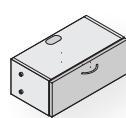

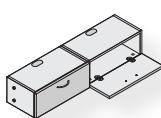

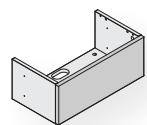

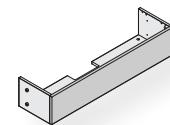

Full Width Shelf

5045

Half Width Shelf

5054

Porter MXR-1®  
Flush mount w/  
bracket  
35420      \$3,975.00

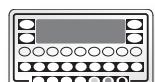

Clock / Timer  
33681      \$100.00

Bitewing X-Ray Viewer  
33834      \$345.00

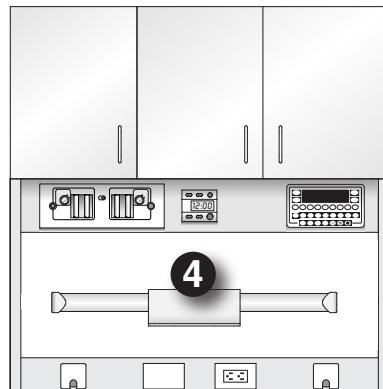

Panoramic X-Ray  
Viewer  
34085      \$515.00

Navicom® or other  
Communication System  
Cut-outs

**4 Tool Rail System**

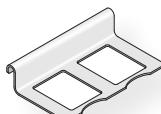

The Biotec Tool Rail System offers flexibility in organizing shelves, holders and dispensers.

This system optimizes placement of items used on a daily basis.

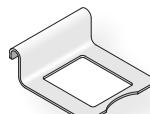

Start by choosing the length of tool rail

	40165	16"L	\$130.00
	40166	23"L	\$130.00
	40167	37"L	\$150.00

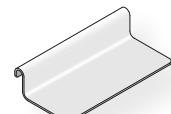

Then select the holders, shelves, and dispensers that best match your needs

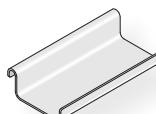

Acrylic Bin Holder  
with 2 bins  
40230      13½"W  
\$120.00

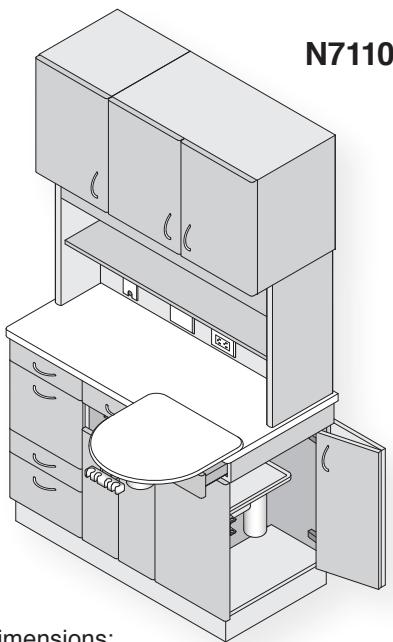

Acrylic Bin Holder  
with 1 bin  
40231      7½"W  
\$90.00

Acrylic Shelf  
40156      13½"W  
\$75.00

Acrylic Shelf  
40168      13½"W  
\$75.00

**N7110**

Dimensions:  
**Pass-thru Finished Back**  
 74½" H x 43" W x 36"D

**Non-Finished Back**  
 74½" H x 43" W x 35"D

Countertop height: 32"      **\$8,670.00**

### N7110 Treatment Center without Handpiece Control System
